

The Mic H is the modern compact and minimalistic downlight inspired by the iconic microphone of the greatest jazz singers in the 1920's and 1930's.

As a single mounted downlight The Mic H is a part of The Mic series. A series of spotlights and pendants crafted in premium materials and available with various types of installation options and color combinations made by ELLISELLIS.

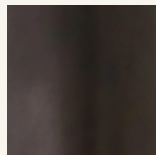

The Mic H is a versatile downlight with maximum flexibility and a great light.
