

THE STOGIE

Stogie is a slang word for a thin cigar that is already cut from both sides during manufacture.

Theres a saying that it's a good cigar for beginners who just want to try it before really jumping into it.

Our stogie is both for beginners and advanced users of light!

The Stogie is ment to be a perfect light above tables, kitchen-tops, corners etc. Simply choose your color and add the topping of choice to fit your interior.

Tip: TheStogie is also beautiful placed in a corner as a cluster in different hights.
